

**SHELL RIMULA**  
ENERGISED PROTECTION

# SHELL RIMULA R1 MULTI

• RELIABLE LUBRICATION

## ABOUT ENERGISED PROTECTION

You need to know your oil will protect your engine under all conditions. No matter how hot, cold, steep, dusty, muddy or extended your operations, you demand protection.

The Energised Protection of Shell Rimula heavy duty diesel engine oils provides protection in three critical areas:

- 1. Acid control** — protects against corrosion from acids formed as fuel burns.
- 2. Deposit control** — keeps engine clean for optimum performance and long life.
- 3. Wear control** — keeps moving metal engine surfaces apart for long engine life.

## PROTECTIVE POWER

Shell Rimula R1 Multi is an easy-flow multigrade for reliable lubrication and consistent performance that delivers well-proven performance additives to fight engine corrosion & wear.

### RELATIVE PROTECTION

	Acid/ Corrosion	Dirt & Deposits	Wear

DESIGNED TO MEET CHALLENGES

## SHELL RIMULA R1 MULTI - APPLICATION GUIDE

Shell Rimula R1 Multi oils are suitable for use in many non-turbocharged light/medium duty diesel powered trucks and transport operations including city operations and long-distance service.

Shell Rimula R1 Multi can provide dependable lubrication for small to medium powered agricultural equipment such as tractors. Also suitable for many low/medium powered stationary applications such as diesel powered water pumps, generators etc.

Shell Rimula R1 Multi can be used in many non-turbocharged diesel engines found in light commercial vehicles such as vans and light/medium buses.

### OUR COMPLEMENTARY RANGE

In addition to the full range of Shell Rimula heavy duty engine oils, Shell Lubricants also offers a complete portfolio of lubricants for every part of your equipment, including Shell Spirax gear and axle oils, Shell Donax transmission fluids, Shell Retinax greases and Shell HD Antifreeze/Coolant.

### HEALTH SAFETY AND ENVIRONMENT

#### Health and Safety

Shell Rimula R1 oils are unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of industrial and personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

For further guidance on Product Health & Safety, refer to the appropriate Shell Product Safety Data Sheet.

#### Protect the Environment

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.

#### Advice

Advice on applications not covered in this leaflet may be obtained from your Shell Representative.
